Funeral Flowers & Memorial Donations Policy

Approved September 2006

Flower arrangements for the sum of no more than \$45.00 will be sent to the funeral home for all deceased members of the congregation.

If the family requests memorial donations to the church, the sum of \$45.00 will be written from the budget line item and deposited in the church memorial fund. If the family requests donations to another entity, the sum of \$45.00 will be written from the budget line item to that entity.

The chair of the fellowship committee or his/her designee will make arrangements for the flowers to be delivered. The church has an account with Doyle's Flower Shop in Bedford, with Teresa Frazier, and through Zeigler's Funeral Home in Hyndman.

The church treasurer will be notified of memorial donations to the church or other entities.
